THE TINTSMEN'S CHAIR

DETROIT | ORIGINAL AIRBRUSH BODY ART

WE DON'T JUST PAINT FESTIVALGOERS.
WE MAKE THEM PART OF THE SHOW.

Every guest leaves wearing an original work of art created live at the festival.

20+ YEARS EXPERIENCE | 60-90 GUESTS / DAY | EVERY PIECE ORIGINAL

PROVEN AT MAJOR FESTIVALS

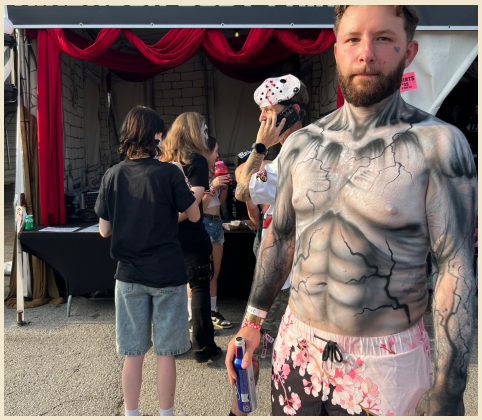

WELCOME TO ROCKVILLE • SONIC TEMPLE • INKCARCERATION • LOUDER THAN LIFE

The Tintsmen's Chair transforms a standard festival booth into an immersive body-art experience. Guests can draw inspiration from our portfolio, collaborate with an artist, or give us creative freedom. Every piece is made for the individual - and then carried back into the crowd.

NO CUTS. ALL COLORS.
